Mr. Dulles (Cont'd.)

f. Referred to a cable from the [redacted] and, after some discussion wherein the Director approved the liaison mentioned therein, Mr. Dulles undertook to have [redacted] come in for another conference 25X1

[redacted] 25X1
might be available. The Director noted if a satisfactory arrangement could not be made he would take this matter up with CNO.

Mr. Wisner:

a. Briefly reported on a meeting he had yesterday with Ambassador George McGhee as a follow up to McGhee's previous conversation with D/DCI.

b. Reported that the EE Division had requested the appointment of [redacted] 25X1
[redacted] After some discussion, the Director (1) disapproved [redacted] appointment; (2) stated 25X1
that we already had too many consultants and he intended to "tighten up" on future approvals; (3) noted that DD/I had more requirements for consultants than the other offices; (4) suggested that use be made of one of our approved 25X1
consultants in place of [redacted]

[redacted]
Meeting and stated that (1) not more than three people were involved and, in all probability, only one individual would make this request; (2) there was no need to put this matter in writing to the Treasury Department; (3) it could be handled verbally by our General Counsel. The DCI approved.
